Mr. Curt Anderson
Mechtronics Corp.

Dear Curt:

During my recent visit to Montreal, I had the opportunity to visit one of the largest outdoor companies. These people are going to install Marlboro clocks in the Blue Bonnett Racetrack. They mentioned to me that the unit is one of the best designed and well-built clocks that they have seen in a number of years and complimented Philip Morris and Mechtronics.

Please pass on my special thanks to Dexter and Conrad Stanley for a job well done.

Cordially,

/da
